

It's Time To Get Retrofit: Mercedes Accessories Introduces StreetPilot II Navigation Systems

It's happened to the best of us: you're on your way to a business meeting, lunch, date, etc. when, despite Google Mapping directions in advance, you realize that somewhere along the way you made a navigational error. Maybe you missed the street; maybe you turned left when you should have turned right... whatever the case is, you've lost your way. Now, thanks to Mercedes Accessories GmbH, finding yourself in this unpleasant scenario will soon be a thing of the past. The company has just introduced two new mobile navigation units available for retrofit: the Mercedes-Benz StreetPilot II and the Mercedes-Benz StreetPilot II Plus.
