

## Samuel L. Jackson Gets Himself A Motherfucker Maybach 57 S

According to the boys of Jalopnik, Samuel L. Jackson, star of what may have been the singular greatest movie ever created - Snakes on a Plane - has just sprung for a shiny, new Maybach 57 S. And while numerous punch lines come to mind, all of which involve some variation of Jackson's infamous expletive of choice, they've pretty much all been taken by our friend Mike.
