

ART Tuning Unveils Program 164 Edition Ferrari Red Tuning Package For The Mercedes-Benz M-Class

A vehicle befitting Cupid himself, ART Tuning has premiered a new addition to their M-Class tuning lineup just in time for Valentine's Day: the Edition Ferrari Red. Featuring a host of upgrades already found on their non-festive ML tuning package including a number of aerodynamic components, sport exhaust, light alloy wheels and stylized new interior, the Edition Ferrari Red's main difference is... you guessed it... its color.
