

Forbes Ranks The Top Ten Most Extreme Luxury Sedans Of 2007

{mosgoogle right} First up comes a story sent to us our good friend Henry that that Forbes published a few days ago - one which ranks the top ten most extreme luxury sedans. Not surprisingly, Mercedes and their impeccable lineup of performance sedans dominated the list, with the CLS63 AMG, the S65 AMG and the E63 AMG holding the fourth, third and first spots, respectively. While it's true the cars were ranked only according to their power-to-weight ratio with no testing involved, few will argue MB's superiority in the high-horsepowered luxury sedan category.
