

Mercedes-Benz C63 AMG Set To Launch As The Official Safety Car Of The DTM

{mosgoogle right}When the second DTM race weekend of the season kicks off in Oschersleben tomorrow (April 19th), taking the reins of the official Safety Car duties will be none other than the Mercedes-Benz C63 AMG. This marks the eighth continuous year Mercedes has provided a vehicle to serve as a DTM Safety Car, with the company alternating with Audi from race to race in furnishing a vehicle for the role.
