

2010 Mercedes-Benz E-Class Estate Spy Photos Emerge

{mosgoogle right}Now that the 2010 Mercedes E-Class has been officially unveiled, it's only a matter of time before the estate variant of the new E makes its debut as well. While we're waiting for that momentous event to occur, here's a few new shots showcasing precisely what we have to look forward to from the upcoming model. Yes, there is still quite a bit of masking covering its various design attributes, but with a little imagination, you can make out to a large degree the amount of extra space the wagon holds over its sedan counterpart.
