

New 2010 Mercedes-Benz E-Class Coupe Virtual Photo Shoot Web Special Launched

{mosgoogle right}Mercedes yesterday tipped us off to a new web special they launched recently highlighting the new 2010 Mercedes-Benz E-Class Coupe, but we didn't quite find the time to bring it to you. It's called the "Virtual Photo Shoot," and it features an impressive array of beautiful women gathered around the new model. When viewing the web special, you have the ability to see the scene through the eyes of any of the women, and then take a snapshot of the scene, should you so desire. After doing so, you can then set your image as a wallpaper, and subsequently email it to yourself or your friends.
