Wald Sports Line Black Bison Edition Tuning Package For The W251 Mercedes-Benz R-Class

{mosgoogle right}If the first tuning package from Wald wasn t enough to meet your aftermarket Mercedes needs for the day, here s another that may do the trick. It s again entitled the Wald Sports Line Black Bison package, but this time it s designed for the W215 Mercedes R-Class. Highlights again include a new front apron (with new fog lights), new vented front fenders, side skirts, a new rear apron, and a sport exhaust system, while completing the package is a set of multi-spoke Wald wheels painted in black.
