

Mercedes To Auction Limited Edition Rolling Stones R-Class

{mosgoogle right} Mercedes-Benz USA has announced today that they will be placing up for auction a limited edition Rolling Stones R-Class. A must have for any true Rolling Stones fanatic, the limited edition R features an airbrushed Rolling Stones A Bigger Bang paint scheme, headrests and floor mats embroidered with the Rolling Stones logo, 22" Lowenhart wheels, a JBL amplifier and subwoofers, and Alpine touch screen TV's in the headrests. Now ordinarily when a viewing a Mercedes of this nature, this is the part where I'd start with a flurry of abusive insults criticizing the entire aura of this vehicle. Doing so in the case, however, would be unfair, due to the fact that the proceeds raised by the sale of this vehicle are going to benefit a great cause in the Big Brothers Big Sisters organization.
