

Paris Hilton And Her New SLR McLaren

{mosgoogle right} Although I really could care less what Paris Hilton was spotted driving yesterday, the celebrity rags are all abuzz with her latest whip, a black Mercedes SLR McLaren that apparently takes the place of her aging Bentley. The hotel heiress was spotted in LA when the photogs captured her in the \$452,750 supercar, apparently while she was en route to meet her mom Kathy and sister Nicky for lunch at the Ivy. I don't know about you, but seeing a 25 year old Hollywood socialite turned model turned actress turned whore driving a car I would surmise she didn't pay for sure makes me want to run out and buy one.
